BIOSKETCH

George J Kahaly, M.D. holds the rank of Professor of Medicine and Endocrinology / Metabolism at the Johannes Gutenberg University (JGU) Medical Center, Mainz, Germany. As senior physician, Dr. Kahaly directs the endocrine and thyroid autoimmunity program at the endocrine outpatient clinic and chairs the ORPHAN referral expert center for Graves' orbitopathy and autoimmune polyendocrinopathy.

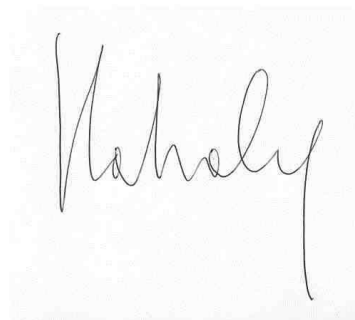

Dr. Kahaly directs the referral & certified academic JGU Thyroid Laboratory and has authored 307 original papers and reviews, covering clinical, experimental and immune genetic aspects of endocrine autoimmunity, as well as cardiovascular involvement of metabolic disorders. Research articles and reviews have been published in the *New England Journal of Medicine*, *Lancet*, *JAMA*, *Annals of Internal Medicine*, *Clinical Chemistry*, the *Journal of Autoimmunity*, the *Journal of Clinical Endocrinology and Metabolism*, the *Journal of Nuclear Medicine*, *Endocrinology*, *Thyroid*, *Endocrine Reviews*, *Nature Reviews* and *Autoimmunity Reviews* (current citation H index 53, 11321 citations).

Dr. Kahaly is the 2019 recipient of the American Association of Clinical Endocrinologists / American College of Endocrinology (AAACE/ACE) Endocrinology Award. He also is the 2019 recipient of the British Thyroid Association "George Murray Award" medal. Dr. Kahaly has received several further awards: Research program of the German Endocrine Society (2006 & 2008); Poster prize, German Society of Internal Medicine (2006 & 2008); Poster prize, German Endocrine Society (2009); Investigator Award of

the European Thyroid Association (2009); Investigator Award of the German Ophthalmic Society (2011); Best Reviewer Award, *European Thyroid Journal* (2018); and British Medical Association Medical Book Award (2018).

Dr. Kahaly is Editor of the internationally acknowledged textbook DeGroot' Endocrinology (8th Ed.). He served 2015-2019 as Editor of the *Journal of Clinical Endocrinology & Metabolism*, official Organ of the American Endocrine Society. In the years 2009-2012, he was Associate Editor of the journal *Thyroid*, official journal of the American Thyroid Association (ATA). Dr. Kahaly is also member of the Editorial Board of the *European Thyroid Journal*, official journal of the European Thyroid Association (ETA). Further, he was member of the scientific program-organizing committees (POC) of the 2020 international thyroid congress, ITC, Xian, China as well as of the 2020 spring meeting of the ATA. Finally, Dr. Kahaly is member of the Publication Core Committee of the American Endocrine Society (2020-2023).

Dr. Kahaly served as Treasurer and principle officer of the Executive Committee of the ETA between 2007 and 2016. Since the year 2000, he also served on numerous ATA Committees (Laboratory Services Committee 2018-2022, Public Health 2015-2018, Research 2012-2015, Finance and Audit 2007-2011, as well as Membership and Publication Committees 2000-2006). Further, Dr. Kahaly served for 17 consecutive years as Treasurer and principle officer of the Executive Committee of the European Group on Graves' orbitopathy (EUGOGO) 2004-2021. In the years 2005-2011, he was member of the Executive Committee of the German Thyroid Board.

A handwritten signature in black ink, appearing to read 'Kahaly', is centered on a light gray rectangular background.
